

Western Museum of Mining & Industry Mining Ledgers Collection

Most of these ledgers were donated to the museum in the 1970s. Accession numbers include 1971.16, 1973.8, and 1979.4. Most are from mining companies in the Cripple Creek Mining District and are in fair condition. The 1973 donation came from an office in the Burns Theater building on East Pike's Peak Avenue in Colorado Springs.
